1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water Service, Inc. located in Hunters Glen subdivision.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am requesting that the Public Service Commission separate the fee application for water only service areas owned by Utilities, Inc. from the application for water and sewer service areas. The proposed rate increases are substantially higher for water service than for sewer service. The meter charge will increase from \$11.09 to \$19.87. The commodity charge will increase from \$3.55 to \$6.49 per 1,000 gallons. The monthly bill for a family using 6,000 gallons of water will increase from \$32.39 to \$58.81 (82% increase).

The rate increase for water only service exceeds the Utilities, Inc. stated increase in service fees of 43%. The excess increase in water service only rates constitutes a funding for the sewer service upgrades.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? * (This section should be completed.)

No.
